

AD-VANTAGE POINT

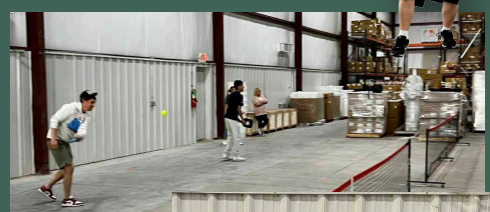

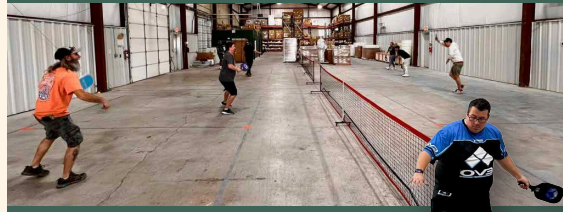

Published by Advantage Controls | Spring Highlights 2024

Congratulations!
Ned Morris is back in Advantage Controls Muskogee, and he has stepped up as our Vice President of Operations. His years of experience and engineering background give him the skill set needed to lead our operations team.

Welcome!
Amanda Morris is joining Advantage Controls team and is taking on Ned's former role as Northeast Regional Sales Manager. Amanda's Public Relations major and drive to serving customers makes her well-qualified in sales and service.

April 22nd
Kelly and Dalton took home the 1st place win of the annual Advantage Controls pickleball tournament.

April 18th Advantage Controls was well represented at the Muskogee Chamber of Commerce 99th Annual Banquet.

April 11th Advantage went to see the night performance of *Little Shop of Horrors* presented by the Muskogee Little Theatre.

Spring Highlights 2024

Picnic

June 8th Advantage Controls and families had fun playing whiffle ball, bingo, and enjoyed the weather and good food.

June 10th Advantage Team member, Matt Allen, graduated from Muskogee Leadership Class 30. The program lasted from October 2023 to June 2024, and graduates like Matt gained leadership skills and community insight to help better the development of Muskogee.

April 25th The Junior Achievement of Oklahoma held their 14th annual bowling tournament in which Advantage Controls had a great time participating in the event.
