## Donna Arney Wins 2018 Spirit Award

Advantage Controls has recently created the Spirit Award, which gives one of the past 12 Advantage MVPs a free vacation!

This year, Donna Arney was selected from among all Advantage Controls Muskogee team members based on multiple criteria, including job performance, positive character, and community service, during a 12-month selection process. In recognition of her achievement, Donna will receive an all-expense paid cruise vacation for two, or an equivalent value prize of her choice. "Donna exemplifies nearly all the positive character qualities in which we all aspire--from attentiveness and availability, to virtue and wisdom, as evidenced by her community service efforts with United Way, Muskogee Exchange Club, and the Girl Scouts" says Jeff O'Neal, Advantage Controls' VP of Operations. Donna has plans to set sail with her family on a Liberty cruise from Galveston.

## Hi-Bi Receives Mayoral Proclamation

Hi-Bi the Shrine Clown (aka Advantage Controls' founder Dick Morris) received a mayoral proclamation at the Shrine Circus, announcing that September 22<sup>nd</sup> is now "Dick Morris + Hi-Bi Bedouin Shrine Clown Day". Hi-Bi and the members of Bedouin Shrine will be long remembered for taking care of children at Shriners' Hospitals for Children, and for 45 years of bringing smiles to the faces of young and old alike.

Sept. 25

Dan Morris attended the Addressing the Challenges of Poverty conference in Atlanta. The conference looks at reducing poverty in communities through the lens of economic class.

## Advantage Companies Honored at the 2018 Business and Industry Awards Banquet

Our sister company, Advantage Terrafab, won the Local Expansion award and the Safety Award at the 21<sup>st</sup> Annual Muskogee Business and Industry Banquet. The Sustainability award went to Advantage Controls in light of recently eliminating foam packaging for our products and installing filtered water dispensers to discourage the use of wasteful plastic water bottles. Both companies also received recognition for participating in the Muskogee *Dream It. Do It.* program.
