AD-VANTAGE POINT

Dec. 13th

AWARD-WINNING FLOAT

Hundreds gathered downtown to see the annual Muskogee Christmas Parade, including Advantage Controls team members and a larger-than-life gingerbread house on a trailer. Advantage Controls' float was the first place winner in the 2019 float design contest. Other participants in the parade included local musicians, a TIE Fighter float with Darth Vader and Stormtroopers, and Santa, who was riding atop a Muskogee Fire Department truck. Special thanks and congratulations go to Kevin Farrow and Winston Sallee who spearheaded the project, as well as the team members who took time after work hours to help out.

Advantage team members and their families ride by in our float.

DOING GOOD IN THE COMMUNITY Jan. 21st

Advantage team members Terry McKinney and Sheila Gray volunteer to help make living quarters possible for veterans and their families at The Barracks. The Barracks is a non profit that offers services like education, job training, and shelter for veterans and their dependents.
